

EFPQ User Agreement

The Society for Epilepsy Research / Gesellschaft für Epilepsieforschung e.V. (GfE) holds the copyright for the Epilepsy-related Fears in Parents Questionnaire (EFPQ) and all its present and future translations.

The EFPQ may be used for academic purposes (universities, non-profit organizations) when the following agreement is completed and signed by the User (specified below) and sent to:

Dr. A. Hagemann
Gesellschaft für Epilepsieforschung e.V.
Maraweg 21
33617 Bielefeld
Email: anne.hagemann@mara.de

Non-academic groups interested in using the EFPQ should contact the GfE. For non-academic use of the EFPQ donations to the GfE are requested.

This is an agreement between the GfE and

Therefore, User and GfE agree as follows:

1. User shall not modify, abridge, condense, adapt, recast or transform the EFPQ, including but not limited to any minor or significant change in wording or organization of items and instructions without prior written permission of the GfE.
2. The EFPQ is available in the original German version. Any translation of the EFPQ requires prior written permission of the GfE and must be based on a validated language version of the EFPQ (currently only the German version)*. User agrees to provide the GfE with information about the conditions of translation and to provide a copy of the new version (paper and electronic) when it is completed. All versions will be archived for distribution on request.
3. The following Copyright Statement shall be printed on every EFPQ:
EFPQ © Gesellschaft für Epilepsieforschung e.V., Bielefeld, Germany.
4. User shall not reproduce the EFPQ except for the limited purpose of generating sufficient copies for the use in the above-mentioned study.
5. Commercial use, distribution or further transmission of the EFPQ to third parties (by sale, rental, lease, lending, or any other means) is not permitted.
6. In case of publication of results, User shall cite:

* The psychometric properties of the EFPQ reported in Hagemann et al. (2018) refer to the German original version. For the purpose of that article, the items were translated into English by the authors (only forward translation). Therefore, the English version is not validated yet and should not be used without prior expert review
